Our 'Core Offer' to children

At Stalyhill Infant School it is our intention to 'Inspire young minds and create learners for life.' In order to achieve this we have worked together as a group of stakeholders to create our core offer to children;

Every child that learns at Stalyhill Infant School will have the opportunity, and be supported to;

- Make mistakes
- Become a confident reader
- Learn through play and learn how to play
- Form positive relationships
- Write independently
- Learn out of doors
- Become a problem solver
- Thrive on challenge
- Explore and extend their own interests
- Ask questions, speak up and share an opinion
- Become a mathematician
- Develop a Growth Mindset
- Learn in a way that excites them
- Give and receive respect
- Access an individual learning pathway that is right for them
- Express their own creativity
- Work as part of a team
- Understand, recognise and process emotions
- Have a positive sense of identity
- Investigate and explore
- Know how to keep themselves safe
- Be active
- Learn to ride a bike
- Be healthy
- Understand their own strengths as a learner
- Take pride in their own and others' achievements
- Feel confident
- Feel included
- Push themselves beyond their own limits
- Develop a sense of time and their own place in the world
- Perform in front of an audience
- Display resilience
- Display positive behavior
- Be independent
- Learn beyond the National curriculum
- Appreciate and understand the world around them
- Feel secure enough to take calculated risks
- Develop a 'can do' approach
- Be confident using a computer
- Leave with a toolkit of transferable skills
- Reflect on their own learning
- Feel valued
- Love learning
